## Optional Full time JK/SK Program:

Immanuel Christian School offers an optional five-day full time JK/SK program. Due to the emerging modern family, ICS has taken the steps to implement this program in order to assist parents in making the best possible choice in childcare and education.

This optional program will allow JK/SK students to continue to be in the school atmosphere on alternate days. For JK/SK students the program is available Tuesdays and Thursdays. The students attending on these alternate days will encounter the same warm and friendly environment that they have become accustomed to at ICS in their regular class.

The students will experience a variety of fun activities combined with a structured learning curriculum. A qualified instructor will engage the children in subjects such as reading, writing, math and music, as well as allowing plenty of free time for the children to express their creativity.

Immanuel Christian School feels that by offering this exciting program, it is taking steps to create a more modern and progressive school while still maintaining a strong Christian worldview.

The costs for this optional program are as follows:

## The Before and After School Club:

Immanuel Christian School recently introduced a before and after school daycare program, known as Club MED, to better serve the needs of our parents. As the times change and our work day gets longer, finding quality before and after care is getting increasingly more difficult.

This club will be a pay per use service and be open to all students at ICS. Our main goal is to provide reasonably priced care under one roof.

During operating hours, Club MED will provide activities that are divided into an assortment of structured supervised playtime (outdoors weather permitting), recreational games and quiet areas for students to work on school assignments.

Together with qualified assistants, the coordinator of the club will oversee the students to make this a safe and healthy environment for all who use it.

### Conditions of using Club MED are as follows:

- It is a pay per use service with no in and out privileges
- **48 hours** notice must be given in order to reserve a spot in the club or parents may pre-register their children in advance
- **48 hours** notice must be given in the event of cancellation, if this is not done parents will be billed for the day
- Payment is due upon receipt of an invoice. Parents who do not keep accounts current may be denied service

### Hours of the Club:

#### Before;

- 7:00 – 8:50 am
- Students may play outside weather permitting
- Indoor activities will include use of the gym or classroom area provided
